

CQC Ready

Introducing the most robust regulatory shield available for General Practice

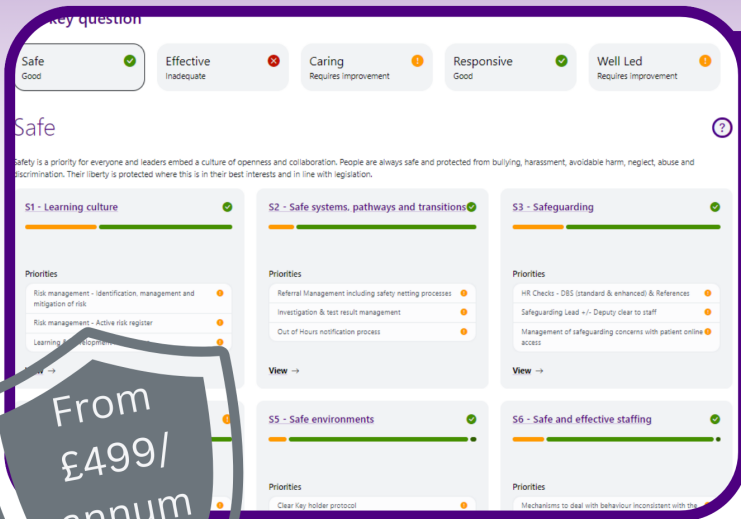

Built by GPs for GPs

CQC Ready is a shield for your practice and reputation, helping you focus where it really matters. Remove the fear of inspection while improving practice resilience and patient care.

Against CQC inspections, CQC Ready translated 96% accuracy for Key Questions and 100% for Overall Scores

CQC Ready incorporates CQC surveillance, providing intelligence that saves you time, shields against pitfalls and reduces practice stress.
